Thank You

I would like to thank everyone for their love and support during the time of Bobby's illness and death. The phone calls and cards helped me so much. The basket of plants was beautiful. The food was great and above all your love. We appreciated the chamber setting up lunch for our family after the funeral. Bobby's family could not believe how everyone supported us and that was the nicest thing they had ever seen.

May God bless and keep each of you.

Lois.
