*Message from the President Lois Rockhold*

As we close out 2009, it has been good year for new members with many new businesses choosing to open in the Tillman's Corner area. We wish them much success.

We all need to be thankful for our family and friends. We are blessed to live in a country where we have the freedom to chooses our church, school and jobs.

We need to say thank you to our military, police and fire fighters for all they do to protect us. We sometimes forget when we sit down to our holiday meals with our family that they may not be with their families. Say thanks when you meet them!

I probably had the worst year of my life losing my husband of 52 years. I still have lots to be thankful for, especially my family and friends who have helped me to get through this difficult time.

I want to wish you all a safe and happy holiday season as we close out 2009 and go into 2010.

Thank you for supporting me during my two years as Chamber president. I look forward to working with you to support our new president.

Always your friend,

Lois
