Dear Chamber Members,

The business after hours proved to be a huge success. I would like to personally thank the 42 businesses that contributed to making this a great event again this year. The silent auction raised much needed money for the Bay Area Food Bank. We are proud to have the opportunity to use this fundraiser to help them prepare for the upcoming holidays. It is also time to make your nomination for the citizen of the year. If you know someone who has made a difference in the community, please pick up an application at the community center.

We are in the process of getting the details of the Tillman's Corner Christmas parade ironed out. The parade will be held December 3rd, 2011. We have a lot going on right now and only two months left in the year. Thanks for all you do to make the TCCC a success.

Dena Pigg

President
